QUINCY FOODS, LLC - INDUSTRIAL MAINTENANCE

The Washington State Apprenticeship and Training Council (WSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship and training program in the State of Washington.

Apprenticeship programs and committees function, administer, or relinquish authority only with the consent of the WSATC and only apprentices registered with the supervisor or recognized under the terms and conditions of a reciprocal agreement will be recognized by the WSATC.

Parties signatory to these Standards declare their purpose and policy is to establish and sponsor an organized system of registered apprenticeship training and education.

These Standards are in conformity and are to be used in conjunction with the Apprenticeship Rules, Chapter 296-05 WAC (Washington Administrative Code); Apprenticeship Act, Chapter 49.04 RCW (Revised Code of Washington); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which govern employment and training in apprenticeable occupations. They are part of this apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship. Additional information may need to be maintained by the program that is supplemental to these apprenticeship standards. This information is for purposes of ensuring compliance with decisions of the WSATC and the apprenticeship laws identified above.

If approved by the council, such amendment/s and such changes as adopted by the council shall be binding to all parties. Sponsors shall notify apprentices of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Department of Labor and Industries (L&I) may adopt language that will conform to applicable law. The remainder of the Standards will remain in full force and effect.

See WAC 296-05-003 for the definitions necessary for use with these Standards.

I. GEOGRAPHIC AREA COVERED:

The sponsor has no authority to conduct training outside of the geographical area covered by these Standards. The sponsor may enter into an agreement (portability agreements – see WAC 296-05-303(3)) with other apprenticeship committees for the use of apprentices by training agents that are working outside their approved geographic area. Also, if a reciprocity agreement (see WAC 296-05-327) is in place, the out-of-state sponsor may use their registered apprentices. The sponsor will ensure compliance with the provisions of any agreement recognized by the WSATC.

The area covered by these Standards shall be the Quincy Foods, LLC plant, headquartered at 222 Columbia Way, Quincy, Washington 98848

QUINCY FOODS, LLC - INDUSTRIAL MAINTENANCE

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (see WAC 296-05-316).

- Age: **Applicants shall have passed their 18th birthday.**
- Education: **Applicants shall be a high school graduate or have a certificate of equivalence and shall submit suitable documentation verifying the same.**
- Physical: **Applicants must be physically capable of performing the work of this trade.**
- Testing: **None**
- Other: **Applicant must have completed the probationary hiring period and be listed as a Quincy Foods, LLC. employee.**

III. CONDUCT OF PROGRAM UNDER WASHINGTON EQUAL EMPLOYMENT OPPORTUNITY PLAN:

Sponsors with five (5) or more apprentices must adopt an Equal Employment Opportunity (EEO) Plan and Selection Procedures (see Part D of Chapter 296-05 WAC and 29 CFR Part 30).

The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations. (WAC 296-05-316(3))

A. Selection Procedures:

- 1. The Quincy Plant reviews all position descriptions when major changes in responsibilities occur. In doing so we have found they accurately reflect position functions and are consistent for the same position from one work area to another. The Quincy Foods, LLC. Industrial Maintenance Apprenticeship Committee is not in any way serving as a referral agency.**
- 2. Job requirements will be validated by Quincy location. Special attention will be given to academic, experience, physical, and skill requirements to**

QUINCY FOODS, LLC - INDUSTRIAL MAINTENANCE

ensure that the requirements themselves do not constitute inadvertent discrimination. Job specifications will be made consistent for the same job type in all areas and free from bias in regard to race, color, religion, sex or national origin, age, disabled or veteran status. Where requirements screen out a disproportionate number of minorities or women as determined by Impact Ratio studies or other appropriate methods, professional validation of such job requirements may be sought. All persons desiring apprenticeship training under the Quincy Foods, LLC Apprenticeship Program shall make application at the employer's place of business (see Geographical Area Covered for address), and on becoming employed, and on recommendation of the employer will appear before the Apprenticeship Committee to be interviewed. At the time of the interview, the applicant shall be informed of the obligation to abide by the Standards established for the trade. Upon acceptance of the applicant, the Apprenticeship Committee shall make an evaluation based on the employer's recommendation and place the applicant in the program in the proper work experience and wage progression period and register the applicant with the Washington State Apprenticeship and Training Council.

3. Combined efforts of Corporate staff and Quincy management validate employee specifications for each job title in each department using only job performance criteria. These specifications are nondiscriminatory with respect to race, color, religion, gender, national origin, age, veteran's status, and disability. Salaried positions are validated by Corporate, while hourly positions are validated at the plant level.
4. These validated position descriptions and employee specifications are available to all members of management involved in the recruiting, screening, selection and promotion process. Copies of position descriptions and employee specifications for job openings are available to all recruiting sources.
5. The Quincy Plant will continue to periodically evaluate the total selection process to ensure freedom from bias and thus the attainment of goals and objectives. If it is determined that any selections techniques currently being used result in discrimination or exclusion of members of any protected group, they will be eliminated or validated.
6. Particular attention will be given to female and minority representation, both from within and outside the Company.
7. All personnel having any role in the selection process will be chosen with special care given to their qualifications for such roles, and will be provided any necessary ongoing training to ensure that the selection processes remain nondiscriminatory.

B. Equal Employment Opportunity Plan:

The employment policy of the Quincy Plant is to provide equal opportunity to all persons. Our company, therefore, has made a commitment to equal employment opportunity through a positive and continuing Affirmative Action Program. No employee or applicant for employment will be discriminated against because of race, color, religion, sex, national origin, age, disability, veteran status, or other status protected under state or local law.

To implement these policies, the Quincy Plant will continue to:

- 1. Recruit, hire, train, and promote persons in all job classifications without regard to race, color, religion, sex, national origin, age, disability, or veteran status. Also insure that all personnel actions, including but not limited to, compensation, benefits, transfers, layoffs, return from layoffs, company-sponsored training, education, tuition assistance, social and recreational programs are administered without regard to race, color, religion, sex, national origin, age, Disability, or veteran status.**
- 2. Grant advance standing or credit on the basis of previously acquired experience, training, skills or aptitude for all applicants equally.**

Discrimination Complaints.

Any apprentice or applicant for apprenticeship who believes they have been discriminated against may file a complaint (WAC 296-05, Part D).

IV. TERM OF APPRENTICESHIP:

The minimum term of apprenticeship must not be less than 2000 hours or 12 months of work experience in each occupation identified in these Standards as apprenticeable. The term of apprenticeship must be stated in hours or months of employment.

The term of apprenticeship shall be eight thousand (8000) hours of reasonably continuous on the job training including the apprenticeship probationary period.

V. INITIAL PROBATIONARY PERIOD:

All apprentices are subject to an initial probationary period, stated in hours or months of employment for which they receive full credit toward completion of apprenticeship.

QUINCY FOODS, LLC - INDUSTRIAL MAINTENANCE

Advance credit/standing will not reduce the initial probationary period. The initial probationary period:

- Is the period following the apprentice's acceptance into the program and during which the apprentice's appeal rights are impaired. The initial probation must not exceed twenty percent (20%) of the term of apprenticeship unless an exemption by the WSATC has been granted for longer probationary periods as specified by Civil Service or law.
- Is the period that the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice of the apprenticeship agreement may terminate the agreement without a hearing or stated cause. An appeal process is available to apprentices who have completed the initial probationary period.

The probationary period shall be the first one thousand six hundred (1,600) hours of apprenticed employment.

VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:

Supervision is the necessary education, assistance, and control provided by a journey-level employee that is on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. The sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. Apprentices will work the same hours as journey-level workers, EXCEPT where such hours may interfere with related/supplemental instruction. (see WAC 296-05-316(5))

The ratio of apprentices to journey-level workers shall be one (1) apprentice to one (1) journey-level worker on each jobsite.

VII. APPRENTICE WAGES AND WAGE PROGRESSION:

The apprentice will be paid a progressively increasing schedule of wages based on specified percentages of journey-level wage consistent with skills acquired. These may be indicated in hours or monthly periods set by the sponsor. The entry wage will not be less than the minimum wage prescribed by the Fair Labor Standards Act, where applicable, unless a higher wage is required by other applicable federal law, state law, respective regulations, or by collective bargaining agreement.

The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are

QUINCY FOODS, LLC - INDUSTRIAL MAINTENANCE

qualified. When the apprentice is granted advanced standing the sponsor must notify the employer/training agent of the appropriate wage per the wage progression schedule specified in these Standards.

Step	Number of hours/months	Percentage of journey-level rate
1	0000 - 2400 Hours	80.6%
2	2401 - 8000 hours	94.0%

The sponsor/training agent must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Washington Industrial Safety and Health Act, and applicable federal and state regulations.

In case of failure on the part of any apprentice to fulfill this obligation, the sponsor has authority to take disciplinary action (see Administrative/Disciplinary Procedures section).

Clock hours of actual attendance by the apprentice in related/supplemental instruction classes at the community/technical college or other approved training locations shall be reported to L&I on a quarterly basis for verifying attendance and industrial insurance purposes.

For industrial insurance purposes, the WSATC will be considered as the employer should any apprentice, not being paid to attend, sustain an injury while participating in related/supplemental classroom activity, or other directly related activity outside the classroom. The activities must be at the direction of the instructor.

The methods of related/supplemental training must consist of one or more of the following:

- ☒ Supervised field trips

The new sponsor or training agent will assume all the terms and conditions of these Standards. If, for any reason, a layoff of an apprentice occurs, the apprenticeship agreement will remain in effect unless canceled by the sponsor.
 5. An apprentice who is unable to perform the on-the-job portion of apprenticeship training may, if the apprentice so requests and the sponsor approves, participate in related/supplemental instruction, subject to the apprentice obtaining and providing to the sponsor written requested document/s for such participation. However, time spent will not be applied toward the on-the-job portion of apprenticeship training.
 6. Hear and adjust all complaints of violations of apprenticeship agreements.
 7. Upon successful completion of apprenticeship, as provided in these Standards, and passing the examination that the sponsor may require, the sponsor will recommend that the WSATC award a Certificate of Completion of Apprenticeship. QUINCY FOODS, LLC - INDUSTRIAL MAINTENANCE

1. Offer training opportunities on an equal basis to all employers and apprentices. Grant equal treatment and opportunity for all apprentices through reasonable working and training conditions and apply those conditions to all apprentices uniformly. Provide training at a cost equivalent to that incurred by currently participating employers and apprentices. Not require an employer to sign a collective bargaining agreement as a condition of participation.
2. Determine the adequacy of an employer to furnish proper on-the-job training in accordance with the provisions of these Standards. Require all employers requesting approved training agent status to complete an approved training agent agreement and comply with all federal and state apprenticeship laws and the appropriate apprenticeship Standards.
3. Submit approved training agent agreements to the department with a copy of the agreement and/or the list of approved training agents within thirty days of committee approval.
